

JANET SCS – SureServer EDU Certificate Revocation Request

Certificate Serial Number:

Organisation's name:

Proxy's name:

Proxy's email address:

By means of this document, I delegate the revocation process of the certificate specified above to the JANET SCS RA. I fully understand the implications of the revocation process, including the cessation of the certificate's existence and the inability to use it on any server afterwards.

The certificate, once revoked, will automatically be placed on a Certificate Revocation List, signed and administered by CyberTrust – GlobalSign's CA.

I accept that JANET(UK) is in no way responsible for any direct or indirect damages or problems resulting from the revocation of the specified certificate.

I accept that JANET(UK) is required by the CA to keep records of the certificate revocation for a period of 2 years from the date of the revocation for the purpose of legal archiving.
