2 Application Type

Indicate here the type of licence applied for:

Initial 5 sponsored connections	<input checked="" type="checkbox"/>	} Tick one only
Initial 10 sponsored connections	<input type="checkbox"/>	
Upgrade from 5 to 10 sponsored connections	<input type="checkbox"/>	
Additional 10 sponsored connections	<input type="checkbox"/>	

The first licence applied for by a regional network operator must be an “initial” licence which may be for five or ten sponsored connections. An initial licence for five sponsored connections may be upgraded to a licence for ten sponsored connections. A regional network operator with a licence for ten sponsored connections may thereafter apply for “additional” licences to connect up to a further ten sponsored connections each.

When you wish to connect Sponsored Connections under this licence, please contact JANET Customer Service to arrange domain names, IP addressing and DNS registration.

Thank you for filling in this form.

Please send it by e-mail to service@ja.net, or post, to the address given on page 1.

If you have any further questions, please contact JTAG.
